Subject: Conversation with Williams, Anthony

Williams, Anthony 8:26 AM:

James got a minute to answer a question concerning Douglas Erickson? I received messages \ tasks for new user but I also see e-mails saying to cancel the request. So what is the bottom line... (?) Is Mr. Erickson joining us..?

Tyree, James 8:27 AM:

He is joining us. Hyesuk made a mistake on the first UMR, cancelled it and did a second UMR with the correct middle initial.

Williams, Anthony 8:28 AM:

o..K.. got it...

Williams, Anthony 8:28 AM:

I will order services (MW) and iPhone (MD) like we talked about earlier this month..

Tyree, James 8:56 AM:

Do you still have access rights to activate EPASS cards?

Williams, Anthony 10:11 AM:

Just seeing your message... I think I do... Just have not tried in several months...

Tyree, James 10:13 AM:

If so, can you come into the office on Monday and activate the EPASS card for Douglas Ericksen?

Williams, Anthony 10:14 AM:

Yes Sir... I can give it a try... It would be nice to test my access before, we have him come into the security office...

Williams, Anthony 10:16 AM:

Worst case scenario... I can make him a temp Picture Badge...

Williams, Anthony 10:17 AM:

that will grant him access to EPA Space, but not to his GFE...

Williams, Anthony 10:17 AM:

got a minute to talk on the phone..?

Tyree, James 10:25 AM:

I do now.

Williams, Anthony 10:26 AM:

ok I am calling you
